PROFESSIONAL EXPERIENCE

Business Career Services, Purdue Daniels School of Business

West Lafayette, Indiana

Career Consultant and Teaching Assistant, MGMT 295

August 2026 - Present

- Facilitate MGMT 295 for 70+ students per class while conducting 20+ weekly one-on-one career consultations (resume, LinkedIn, interview prep) to support professional development across 4,000+ Daniels School of Business students.

Caterpillar Inc. | Digital Analytics Intern

Peoria, Illinois

Integrated Components Division, Digital Product Solutions

May 2026 - August 2026

- Produced 8 system navigational micro-training videos for digital dealer sales enablement platform, equipping dealers to effectively position, demonstrate, and sell Caterpillar parts and solutions across 10+ product categories.
- Developed a dashboard visualizing inspection trends by region, dealer, and product family to diagnose a 6% decline in inspections, enabling targeted outreach to improve completion rates by end of 2026.
- Automated competitor monitoring for the Customer Wear Management System using an AI agent that compiles daily intelligence reports saving ~10 analyst hours weekly and enabling near-real-time market awareness.

BTE Global AI (Business Transformation Experts)

Remote

AI Automation Intern

May 2025 – August 2025

- Deployed 10+ CRM automation workflows for SMB clients, integrating AI chatbots and automated voice calls via AI automation tools to streamline lead management and client communication.
- Implemented end-to-end automation for law firms and HVAC companies, reducing manual processes by up to 60% and cutting manual workload by 10 hours per week per client.

Business Career Services, Purdue Daniels School of Business

West Lafayette, Indiana

Data Analyst Intern

October 2024 – May 2025

- Analyzed career fair and event data segmented across 7 industries and 11 business majors, uncovering misalignment between participating companies and student interests to support data-driven career planning.
- Cleaned and modeled senior placement data, then built Tableau dashboards visualizing employer sign-ups, industry trends, and student outcomes, informing which companies were invited to the next career fair.

LEADERSHIP AND INVOLVEMENT

PurdueTHINK Consulting

West Lafayette, Indiana

Director of Marketing; Project Manager; Strategy Consultant

January 2025 – Present

- Manage PurdueTHINK's marketing and recruitment strategy as an Executive Board member, creating newsletters, flyers, and 20+ social media posts that drove 250+ callout attendees and increased followers by 35%.
- Led a 5-member team supporting the Banking & Markets Club, implementing an attendance tracking system and executing 9+ events; developed a Branding Toolkit that increased Purdue Student Government engagement by 87%.

Rem on Campus

West Lafayette, Indiana

Vice President of Membership

September 2025 – May 2026

- Helped launch Rem on Campus' consulting chapter, recruiting and onboarding 30+ consultants, managing attendance tracking, and planning professional development events to support small business and nonprofit projects.
